

### Larger Venue Setup

Manaleo Hawaiian Group Stage setup with technical information. Exact locations of equipment T.B.D. Minimum 5 minute sound check required. Lead vocalist will at times use supplied Headset Mic that requires phantom power. Monitor mix should include all vocals, ukuleles, keyboard and guitar. There should be ample power on stage to accommodate players' amplifiers. This setup is our standard layout for 5 musicians.

Please provide bottled water for performers at all venues.

For further information or technical questions, please contact Jerry Gillgren at (707)287-1725.
